

- 99% Puraluminium Pans
- Perfect Heat Conductivity and Energy Saving
- 18/10 Stainless Steel Handle

700 Series

800 Series

800 Series Pans are thicker on the bottom and the edge.  
700 Series : 2-6mm 800 : Series 6-8mm

Pardini 800 series offers an extra heavyweight aluminium with thicknesses from 4 to 8mm. 800 series Pardini pans would last considerably longer than standard pans and are designed for extensive and heavy use.
